

## Respite Care Providers

### Air Force Families with Exceptional Family Members (EFM)

### Need You!

#### Become an EFMP Respite Care Provider!

Join the team of providers who serve Air Force families with a child with special needs.

- Do you have a passion to work with children with special needs?
- Do you currently provide care for children with special needs?
- You can get paid to provide USAF EFMP Respite Care while gaining valuable knowledge and experience as an EFMP Respite Care Provider.

#### Enjoy great benefits:

- Receive Free Training
- Receive Support and Resources
- Enjoy Flexible Hours
- Receive Competitive Wages
- Gain Valuable Experience

All prospective providers are **NOT** employees of Pathfinder, Inc. or Child Care Aware of America (CCAoA)

- Providers need to have child care experience.
- Providers must submit to a drug test, Arkansas State Criminal Record, Child and Adult Abuse Registry, Federal Criminal Record checks.
- Providers are self-employed; they are independent contractors.
- There are no benefits.
- Taxes **are not** withheld; they receive an annual IRS Form 1099 from CCAoA on what they have been paid.
- Personal and professional references are checked as well as an interview is conducted.
- Rate of pay is based on experience and education. Base pay for a child with special needs starts at \$15.00 per hour and up based on education and experience and sibling rate of \$5 per hour, if applicable.
- Complete CPR and 1<sup>st</sup> Aid, Child Abuse and Medication Training prior to parent selection.
- Annual training is required as well as regular monitoring.

#### Brief overview of the program:

- In home care.
- There are flexible hours but no guaranteed hours.
- There are specific guidelines for respite care, to which providers must agree, e.g., no driving the children, no other children allowed/no other adults allowed in the home.
- Families receive 40 hour per month which may be shared by other providers.
- Families' information is CONFIDENTIAL.
